By DWD's Reviews Published in September of 2013 by HighBridge Audio. Duration: 1 hour, 15 minutes Multi-cast Performance NPR's "A Prairie Home Companion" has an extensive collection of audio CDs based on lots of different themes, including skits that highlight certain regular actors on the show. This CD focuses on Tim Russell, an actor with a real talent for mimicking celebrities and an admirable repertoire of original characters to draw upon. He has been a member of the cast since 1994. This CD has 19 different tracks that were broadcast from 1996-2012. Some are laugh-out-loud funny, some are merely amusing, and a couple are just okay (I am not a fan of "Guy Noir" or "The Lives of the Cowboys" - these are two recurring and popular skits that feature Russell). To be fair, Russell figures prominently in the collection of highlights featuring fellow cast member Sue Scott and I think she got the funnier bits on her CD. Altogether, this is still a very solid hour of listening and a sure thing for any fan of Garrison Keillor. Disclosure: I was sent a complimentary copy of this CD by the publisher through the Audiobook Jukebox Solid Gold Reviewer program in exchange for an honest review.

Fans of A Prairie Home Companion know him as Garrison Keillor's grumbling sidekick Dusty The Lives of the Cowboys, an array of wise-cracking wise-guys from the mean streets of Guy Noir, Private Eye, or Jim, the beleaguered husband from A Prairie Home Companion's famously catchup-deprived midlife couple. One minute he's George Bush or Julia Child, Barack Obama or Arnold Schwarzenegger. So here's the fearless Tim Russell in 19 hilarious performances from A Prairie Home Companion, embracing every hairpin turn, crazy curve, or unexpected plot twist a live radio show heard by millions each week can possibly throw at the man of a thousand voices.

Russell has a comically elastic voice that delivers the radio shows smart, gentle satire of all things Midwestern. . . . This best-of collection plays like a vintage comedy album, with plenty of 2-4 minute bits showing off Russells voice talents and quick wit.AudioFile
