**Bernard Magee : Tips for Better Bridge (Batsford Bridge)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tips for Better Bridge (Batsford Bridge):

0 of 0 people found the following review helpful. Five StarsBy Raymond R. NixLots of useful information1 of 2

people found the following review helpful. Used Bridge book By Ram The used book I got was like new, just as advertised. The price was right. But the shipping charge was a bit too much. 2 of 2 people found the following review helpful. Improve your play in one day By K. Emory This book consists of 65 bridge tips, each 2-3 pages long, with an explanation of the tip, the rationale behind it, and a hand to illustrate the tip in action. The book is organized into advice regarding bidding, declarer play and defense. I have been playing bridge off and on for almost fifty years and teach an informal beginner's group, and still there were several tips that were new to me. The ones that were not new were great reminders. This is a great book for the intermediate bridge player to bring his level up a full notch. GREAT book. (The retail price of this book is \$15.95, and I am able to find it for this price elsewhere on the web. I wish had a policy to limit the charge for used books to the retail price printed on the cover . . .)

70 short and simple tips, equally addressing the key areas of play, defence and bidding. The comprehensive coverage includes both the five-card and acol bidding system and will appeal to players everywhere, on both sides of the Atlantic. Social players throughout the world, and anyone who simply wishes to improve their game, will love these bridge tips. Small, bite-sized nuggets of information are incredibly popular and easy to digest, making it simple and straightforward to improve play quickly.

About the Author Bernard Magee is the UK's best-known bridge teacher and host, and has built up a tremendous following from his regular and highly popular articles in Bridge magazine (circulation above 100,000). He is the author of best-selling CDs Acol Bidding and More Acol Bidding. He has published numerous bridge books, including The Mr Bridge Quiz Book published by Foulsham (4,500 copies sold) and The Collins Bridge Quiz Book published by HarperCollins (8,500 copies sold). He lives in Bisley, Surrey.
