outstanding. In fact, it was so good that I decided to buy his Tips on Competitive Bidding and I am happy to report that it too is outstanding. He covers many basic situations, and some advanced ones, and gives good advice which will help all beginning and intermediate players, as well as even many advanced players. 2 of 2 people found the following review helpful. Practical and often subtle ideas! By PeeKay The author is a great bridge player and a great writer. Lots of extremely, and often surprising, great tips. 0 of 0 people found the following review helpful. Five Stars By Carolyn Henderson Enjoy reading and trying to apply, an ongoing process!

Mike Lawrence is acknowledged as one of the two or three best writers in the world for intermediate players, and there will be a ready audience for this series in its new format. The second volume in a three-volume series, 'Mike Lawrence Bridge Tips', based on bridge tips for intermediate players first published twenty years ago. All the material has been completely revised and updated.
