**Marty A. Bergen : To Open, or Not to Open: Featuring the Rule of 20** before purchasing it in order to gage whether or not it would be worth my time, and all praised To Open, or Not to Open: Featuring the Rule of 20:

3 of 3 people found the following review helpful. Great book for those maybe handsBy sassafraThis book covers those problem hands of whether or not to open. It is well written, flows right along. The information is written in such

a way that it is easy to remember. This is a definite book for anyone.0 of 0 people found the following review helpful.  
A Must Have!By Alice TilneyA treasure of a small book by Marty Bergen that every bridge player should have in their library as well as adhere to his lessons and instructions on improving their games. I heartily recommend this for any bridge player at any level of expertise.3 of 3 people found the following review helpful. Bergen on bridge openingsBy babe27Entertaining and simplified rules for the improving player...best for the rookie duplicate player or perhaps novice player in general. good stuff

How to decide whether to open a borderline hand, and how to proceed after doing so. Many examples with detailed explanations

About the AuthorMarty Bergen is one of the best-known bridge authors in the world. He has written 13 successful bridge books, and a long-running column in the ACBL Bulletin. His POINTS SCHMOINTS is the best-selling bridge book of all time.
