1 of 1 people found the following review helpful. Toiletrivia-Pop Culture EntertainmentBy DarleneI have this book on my Kindle Fire and that's one item I refuse to leave in the bathroom. I might have to get a hard copy to leave in there for guests as it is a lot of fun and is a good topic starter.The book has a lot of good questions and is a very interesting read. A must have if you like to read in the bathroom! Even if you don't read in the bathroom it is an excellent trivia book!0 of 0 people found the following review helpful. Very Fun and Funny for EveryoneBy JamieLots of hilarious and mind-boggling trivia for time on The Throne as well as other moments. Good for car travel with the kids, game night, etc., this edition for all audiences.0 of 0 people found the following review helpful. goodBy A. Whitmore information to thwirl your brain. something you can bring up when the conversation lags at the next party you attend.....

TOILETRIVIA (Pop Culture and Entertainment) is the only Pop Culture and Entertainment trivia book that caters to your everyday bathroom needs. Questions in Pop Culture and Entertainment are asked on three difficulty levels ranging from easy "One Roll of Toilet Paper" trivia, to questions so hard, you'll need "Three Rolls of Toilet Paper" to get you through the chapter. Toiletrivia is also an interactive game, as a scorecard in every chapter allows you to compete with future bathroom patrons. Movies, Music, Games, Food ... if you love it, it's in this trivia book! The questions selected in Toiletrivia are so interesting, that your dinner conversation will come from the bathroom. Feel free to leave one behind in every bathroom of the house! This version of Toiletrivia is Pop Culture Entertainment.

About the AuthorHarry Klaff covered the NHL for The Hockey News and Hockey Pictorial, and reported for both the Associated Press and United Press International. He has written three books, All Time Greatest Super Bowl, All Time Greatest Stanley Cup, and Computer Literacy and Use. Today, he is a retired Social Studies teacher from Brooklyn. Because he never went on a date in his adolescence, Harry had plenty of time to research useless facts and figures on everything ranging from history to pop culture. Moonlighting as a hockey scoreboard operator and baseball beer vendor, Harry still had ample time to collect data. Yet somehow, he got married. In 1977, Jeremy was born. Rather than being raised on a steady diet of carrots and peas, baby Jeremy was forced to learn facts from textbooks. His first word was, Uzbekistan. Throughout his childhood, Jeremy had a hard time making friends. When other kids wanted to play baseball, he wanted to instruct them about Henry VIII's six wives. After a failed career as a standup comic and broadcaster, in 2000 Jeremy fittingly became a Social Studies teacher. Today he brings trivia to the next generation.
