**Jeremy Klaff, Harry Klaff : Toiletrivia - US History: The Only Trivia Book That Caters To Your Everyday Bathroom Needs** before purchasing it in order to gage whether or not it would be worth my time, and all praised Toiletrivia - US History: The Only Trivia Book That Caters To Your Everyday Bathroom Needs:

0 of 0 people found the following review helpful. It isn't just for the toiletBy Kindle CustomerI have been a fan of

trivia for many years. So I have read a lot of books on the subject of trivia and not to brag am good at playing trivia games. So when I come across on trivia I am ready to read it. This book was easy to read and much to my delight had some new bits of American trivia in it along with some that I was already knowledgeable about. But no matter what if you like trivia and want to amaze your friends then give this book a try. Also you don't have to read it on the toilet. 0 of 0 people found the following review helpful. totally useless information for the classroom By Kristina Anne Bauer I'm a Social Studies teacher for the 6, 7th, and 8th grades. I use this as a challenge in the classroom, row against row, boys to girls whatever takes my fancy. The children love the information and really enjoy playing the game. Excellent book 0 of 0 people found the following review helpful. Fun facts By Shannon Curtin Who doesn't love a great fun fact book to pass the time, no pun intended! It has some really great facts we haven't heard before!

TOILETRIVIA (US History Version) is the only US History trivia book that caters to your everyday bathroom needs. Questions in US History are asked on three difficulty levels ranging from easy "One Roll of Toilet Paper" trivia, to questions so hard, you'll need "Three Rolls of Toilet Paper" to get you through the chapter. Presidents, Civil War, Pop Culture, Wars ... we have it covered! Toiletrivia is also an interactive game, as a scorecard in every chapter allows you to compete with future bathroom patrons. The questions selected in Toiletrivia are so interesting, that your dinner conversation will come from the bathroom. Feel free to leave one behind in every bathroom of the house! This version of Toiletrivia is US History.

About the Author Harry Klaff covered the NHL for The Hockey News and Hockey Pictorial, and reported for both the Associated Press and United Press International. He has written three books, All Time Greatest Super Bowl, All Time Greatest Stanley Cup, and Computer Literacy and Use. Today, he is a retired Social Studies teacher from Brooklyn. Because he never went on a date in his adolescence, Harry had plenty of time to research useless facts and figures on everything ranging from history to pop culture. Moonlighting as a hockey scoreboard operator and baseball beer vendor, Harry still had ample time to collect data. Yet somehow, he got married. In 1977, Jeremy was born. Rather than being raised on a steady diet of carrots and peas, baby Jeremy was forced to learn facts from textbooks. His first word was, Uzbekistan. Throughout his childhood, Jeremy had a hard time making friends. When other kids wanted to play baseball, he wanted to instruct them about Henry VIII's six wives. After a failed career as a standup comic and broadcaster, in 2000 Jeremy fittingly became a Social Studies teacher. Today he brings trivia to the next generation.
