Michael Knight : Tom Clancy's Ghost Recon Advanced Warfighter 2: Prima Official Game Guide (Prima Official Game Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tom Clancy's Ghost Recon Advanced Warfighter 2: Prima Official Game Guide (Prima Official Game Guides):

0 of 0 people found the following review helpful. Four StarsBy James A. DuncanOkay0 of 0 people found the following review helpful. Excellant GameBy Online ShopperThis is one of my all time favorites. Its not too easy and not too hard, and I have played the game over and over again because you can approach each mission with different strategies, with different team members, different weapons, and different difficulties.It's also not as vulgar or graphic

as some games but has some language that is not suitable for younger players.0 of 2 people found the following review helpful. Wrong platformBy William J. BymanThis guide won't be that helpful for PC users, since it is based on X360.The game is actually very hard.

Danger is right across the border--and so are the ghosts Complete campaign walkthrough Weapons stats Multiplayer tips, tactics, and maps Bids for the Ghost Squad Detailed campaign maps
