The maps were less than helpful, but unsurprising from Prima. The guides I get from Prima always pale in comparison to Brady. Too bad they both don't make the guides, then I could get the better one.0 of 0 people found the following review helpful. Good productBy Pen NameI really love Splinter Cell games and this is no exception. I love the pictures and strategies in the book. However, it only got 4 stars because it was not wrapped in shrink wrap like it should have been because it was

advertised as new. Still, great buy.0 of 0 people found the following review helpful. Splinter Cell BlacklistBy Stan UrzendowskiIf it wasn't for this strategy guide, I would be completely lost.
