.com In the sequel to the surprise action-game hit, *Tomb Raider*, Lara Croft returns to uncover ancient secrets and take home forbidden booty. This time around, Croft--part Indiana Jones and part Pamela Anderson--is after the mythical Dagger of Xian. Of course, she's not the only one, so you'll have to contend with more diabolical villains and a bevy of new weapons, death-defying levels, and perilous traps. To help you make it through alive, *Tomb Raider II: The Official Strategy Guide* delivers an excellent overview of the game and its secrets. In addition to puzzle clues, descriptions of the baddies Lara encounters, and complete walk-throughs of each level of *Tomb Raider II*, there are plenty of screen shots and, naturally, pictures of Lara, who has been enhanced considerably for the sequel--in pixels and polygons that is. This guide covers PC and PlayStation versions of the game. Starring Lara Croft. From the Back Cover Starring Lara Croft.
