I appreciate the selection of hymns in the book as many of them are songs that we sing in our worship service. I am new at playing the more contemporary praise and worship songs and this book is the perfect place for me to begin. I am excited about getting started!9 of 9 people found the following review helpful. Great collection!!By RobBob63I brought this book for my daughter who plays at church some. She loves the arrangements, and the songs are not too easy, nor too difficult. I would recommend this book to others.0 of 0 people found the following review helpful. Easy to play, great collectionBy HalyconGreat collection of current praise songs. It would be a good book for a beginner as the songs are

written very simply. I purchased it to familiarize myself better with the songs we sing at church and it has been perfect for that. The easy arrangements make it fun and relaxing to play.

This book contains 50 easy piano arrangements of popular praise and worship songs that are sung in churches everywhere. The arrangements, by leading Christian music arranger Carol Tornquist, sound great both as piano solos and for sing-alongs. Complete lyrics are included along with basic chord symbols.
