The book is a few inches thick with literally thousands of questions. No softballs, either. The questions are hard for even the most seasoned Top Gear fan. You definitely will learn something. 0 of 0 people found the following review helpful. Top Gear Geeks Entertainment By J. Farmer Perfect for the Top Gear geek! The questions are hard and you might have an excuse to go and watch all the episodes again to find the answers. 3 of 3 people found the following review helpful. know your cars By milkyway13 wish it had more trivia on the shows and presenters but what's there is is pretty damn funny. i laughed out loud numerous times.

A compendium of fiendishly difficult automotive quizzes and puzzles. Believe it or not, behind the mayhem, mishaps, and general buffoonery, Top Gear is built on a solid foundation of knowledge about all things automotive. But the question remains, how much of a fan are you? Packed full of questions on all aspects of trivia, from F1 and supercars to ill-fated attempts at converting caravans into airships, this quiz book is the ultimate test of knowledge and nerve. Play on your own or in teams to answer questions and solve puzzles on a range of subjects, and establish once and for all whose automotive knowledge reigns supreme.
