**Tori Amos : Tori Amos for Easy Piano: Fourteen Classic Tori Amos Songs Arranged for Easy Piano with Full Lyrics and Chord Symbols** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tori Amos for Easy Piano: Fourteen Classic Tori Amos Songs Arranged for Easy Piano with Full Lyrics and Chord Symbols:

0 of 0 people found the following review helpful. not badBy MelodyThese pieces of sheet music are not bad, especially for those that have been made in easy format. Mostly singles here, with a few beloved album tracks and b-

sides. my only complaint is that Cooling does not have the Brambles bridge, but all in all, it is a great book for beginners itchy to play some Tori. Even if you have a hard time with sheet music, you'll be able to play from this book. 1 of 6 people found the following review helpful. DisappointedBy coloradomom I was very disappointed in this product. The keys have been changed to make it "easier" I suppose, but the result is that the songs just sound wrong. I am a vocalist. I was looking for music to play while I sing and this isn't it! 3 of 3 people found the following review helpful. Recognizable Tori songs By T. Foye The only complaint I have with this compilation is that there aren't very many of her early songs in here. I wanted more songs from Little Earthquakes and less songs from her later works that I've never enjoyed as much. In any case, this is a great little book and is quite a challenge to beginning piano students but still stays relatively faithful to the original music, a hard thing to do when arranging music in an "easy" way. Money well spent on this one.

(Music Sales America). A collection of classic Tori Amos songs, arranged for easy piano with full lyrics and chord symbols. Includes: Bliss \* Cornflake Girl \* Pretty Good Year \* Silent All These Years \* Winter \* and more.
