Franz Liszt : Totentanz (Danse Macabre): Piano Duo/Duet (2 Pianos, 4 Hands) (Kalmus Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Totentanz (Danse Macabre): Piano Duo/Duet (2 Pianos, 4 Hands) (Kalmus Edition):

This is a two-piano score of a good printing quality, but the edition is really weird. This score represents Ziloti's edition of Liszt's work, and this edition is not equal to the original Liszt's music. It has some very confusing made up adds which don't make sense and cause a lot of strange moments with conductors, once you get to play it with the orchestra. You would have to cut some parts, added by Ziloty, from this edition, to be able to follow the original full-orchestra score.

Expertly arranged Piano Duet by Franz Liszt from the Kalmus Edition series. This Advanced Piano Duet (2 Pianos, 4

Hands) is from the Romantic era. 2 copies are required for performance.
