I have been a fan for over 15 years now and have seen TSO live 9 times. This guitar tab book is amazing! It features all of TSO's hits and then some! It spans most of TSO's albums up until Night Castle. Christmas Canon Rock, Christmas Eve Sarajevo, Requiem the Fifth, Wizards in Winter, A Mad Russians Christmas, First Snow, The Mountain and more! Features multiple tracks tabbed out for

each song such as rhythms, solos, fills. I have played through the book and it seems dead accurate. Playing along with the cd is so much fun! Heads up TSO fans, Hal Leonard is also publishing a TSO book for their Guitar Play Along series. Not sure on the date of release yet but you can search for it on through the sort by Publication feature. That one will include a cd to play along with on selected TSO tracks. Anyway this book is a must have for any TSO fan who who is a guitarists and wants to learn some of their best songs.0 of 0 people found the following review helpful. Cool book. Always wanted to know how to play ...By DavidNCool book. Always wanted to know how to play some of the songs. They do have some of the synth parts transcribed for guitar.0 of 0 people found the following review helpful. Finally!!!By NSThis is a must-have for any TSO fan! With so many horribly wrong tabs on the internet, it's nice to finally have accurate tabs. Awesome song selection including Savatage's version of "Mozart and Madness."

(Guitar Recorded Versions). You've seen their spectacular theatrical stage productions and heard their platinum-selling albums, now learn the precision guitar licks and thunderous riffs from 13 of TSO's most memorable masterpieces. Written in standard notation and tab, behold the power and magic of the rock opera, where prog rock meets classical music. Includes: Beethoven * Christmas Canon Rock * Christmas Eve/Sarajevo 12/24 * Dreams of Fireflies * First Snow * A Mad Russian's Christmas * The Mountain * Mozart and Madness * Old City Bar * Requiem (The Fifth) * Siberian Sleigh Ride * Toccata-Carpimus Noctem * Wizards in Winter.
