Trans-Siberian Orchestra : Trans-Siberian Orchestra The Lost Christmas Eve Piano Vocal Chords before purchasing it in order to gauge whether or not it would be worth my time, and all praised Trans-Siberian Orchestra The Lost Christmas Eve Piano Vocal Chords:

Well worth the purchase! By Bethany Welch I have long been a fan of Trans-Siberian Orchestra, and this is my favorite CD of theirs. They always tell a story with each CD, and that is included in this book along with the sheet music. I'm very happy with the quality, particularly the fact that it is spiral-bound (too many sheet music books are not and thus cause some difficulties on your music stand). 0 of 0 people found the following review helpful. TSO ROCKS!!! By turbogramma I was completely mesmerized by the live production of

"The Lost Christmas Eve" and could not keep the tunes from playing over and over in my head. I was thrilled to find the music book on , and have been attempting to play each and every song. And believe me, it is a challenge!! (Especially "The Wizards in Winter"). This collection will keep me occupied for a long time to come!
