(Guitar). Travis-picking is a fingerpicking style that uses on-the-beat, alternating bass patterns picked by the thumb to support treble notes picked by the fingers. This book presents a dozen classic songs from a variety of genres and eras arranged beautifully in this distinctive style for intermediate to advanced fingerpickers. Songs include: Fields of Gold * Clocks * Happy Together * Brown Eyed Girl * House at Pooh Corner * Moonshadow * She Will Be Loved * In the Summertime * I Will Follow You Into the Dark * Jennifer Juniper * Walk Away Renee * Three Little Birds. The accompanying CD is a full-length, stand-alone listening recording. "I keep running into folks who have attended your camp and they play great arrangements that you taught them. Well done, Mark!" Pete Huttlinger, national fingerpicking champion.
