January 2017 starts with a separate page per month so now I will actually be able to use it. It's a decent quality and fun pictures.0 of 0 people found the following review helpful. daughter lovesBy Crystal MI bought this as a gift for my daughter for her birthday. She loves Trolls and it is perfect for her! The quality is good, the only other recommendation i have is to use sturdier paper so the holes do not rip as easily.0 of 0 people found the following review helpful. Exactly what I needed for my kitchenBy Christopher BackhausDon't expect to write on this calendar though. The days aren't boxed in, are small, and the color schemes and glossy paper make it difficult to write on. Got this after my wife misplaced out other calendar in the kitchen :)

With more movies on the horizon, interest in the original Star Wars trilogy is surging. New fans join the millions of longtime fans of the series; all of them will be excited by the memorable images and iconic quotes inside. Sixteen-

month Wall Calendars feature 13 spreads to highlight each month in 2017, as well as the last four months of 2016. Each Wall Calendar is printed in 4-color on FSC-certified paper.
