Cool Book!By dragonstar50When my 85 yo Mom was recovering in a skilled nursing facility, one of the activities offered was a fitness class, which also included Trivia for Seniors prior to physical exercises.We enjoyed the Trivia so much, we just had to have the book for both parents when she returned home. Lots of categories, lots of fun, and we all had to THINK to come up with some of the answers.3 of 3 people found the following review helpful. Sr. clubsBy ALLYCATI'm president of 2 Sr. clubs and wanted some questions to ask at end of meetings to help make us all think. this book is very good as has a mix of subjects so it appeals to all. They've enjoyed trying to remember things. Well done.

The questions in "Trivia for Seniors" have come from actual trivia programs with seniors in retirement homes and

senior centers. At the weekly programs many of the residents would suggest questions and topics to explore. From this interaction came the material in this book. Various levels of questions enables the group leader to choose questions based on the particular group, their interests and abilities. **THIS BOOK SHOULD NOT BE USED FOR SELF TESTING. THE QUESTIONS AND ANSWERS ARE LOCATED ON THE SAME PAGE.** Great gift for seniors.
