The calendar stands up just fine and I isn't flimsy or anything.0 of 0 people found the following review helpful. Could be betterBy SamblackjackThe paper is thin and the backing is not fully rigid, and the pop-out stand doesn't stay firm, so it falls down a lot. The daily trivia questions are colorfully printed and fine for it's main purpose. I do with the answers were printed on the back of the page instead of on the next page, but it's not a big deal.0 of 0 people found the following review helpful. Family funBy krinneyThis was a family gift for my son's family. I try to give them a fun/challenging daily calendar every year that the whole family can enjoy. This one hit all the marks for that.
