From Carlton Books : Trivial Pursuit Quiz Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Trivial Pursuit Quiz Book:

2 of 2 people found the following review helpful. There's nothing Trivial here!By Laura GMThis book is exactly what you expect it to be - a compilation of TP questions arranged in its familiar format. The long listing of questions followed by answers in each section makes it a great place for trivia fans who may not want to actually play the game.The book was delivered quickly and in the shape described!1 of 1 people found the following review helpful. Five StarsBy max s kellyGreat fun

All the thrills and excitement of the original board game are packed into this fascinating book.
