From Eighth Note Publications : Trombone Concerto: For Solo Trombone and Concert Band (Conductor Score) (Eighth Note Publications) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Trombone Concerto: For Solo Trombone and Concert Band (Conductor Score) (Eighth Note Publications):

This Concerto by the Russian master is one of the most often performed works in the repertoire for trombonists. This is a revised and edited version making dynamic, articulation and other details more consistent. This is a great piece to

feature a member of the ensemble or a guest soloist. (7:10)
