B J Windham : "True Lies and Alibis" before purchasing it in order to gage whether or not it would be worth my time, and all praised "True Lies and Alibis":

4 of 5 people found the following review helpful. a real manBy virginia eldridgeIn this book I saw he was a real man with real problems just like all of the men.I really enjoyed this book and could have read his stories for days.I highly recommen this for all readers.1 of 3 people found the following review helpful. Lies, lies, and more liesBy MERI was a wrestling fan from the Carolinas in the 80's and was eager to read BlackJack's book. That is, until I read it. Most of it was truly disappointing. It was a bunch of somewhat connected tall tales that make good bar stories but a poor read. It should be in the fiction section...not biography.3 of 3 people found the following review helpful. The TITLE says it allBy Patricia A. McCartyI have read the reviews and I have to say I don't see a lot of real fans here , This book is NOT written as the other wrestling books it is written as Black jack talks. It's a personal visit to be honest. ANYONE who KNOWS Blackjack Mulligan KNOWS he LOVES to tell stories and this book is full of HIS stories. The NWA is a much bigger part of his story than the Florida days. If you are looking for a book about wrestling from a great wrestler and you expect it to be written like a novel from Steven King, this is NOT the book for you. BUT If you are looking for an HONEST visit, a TRUE tale of a man who has BEEN there with a flair all his own, then THIS IS the BOOK for you! Don't expect it to be anything BUT BlackJack Mulligan. And REALLY read the title... it self explanatory! I enjoyed the book al lot even though it isn't written like a Novel. It is more written like a long interview. All of the stories in this book are VERY funny and UNIQUE . They tell of things one would not expect to ever happen to a pro wrestler like Blackjack, but... things happen. I'm not gonna say its well written, but it is the most HONEST book I've seen.

only man living after a fight with andre the giant !!What an action story,not of the same cut as other wrestling books !!amust read!!!The stories of jacks life are unbelievable,all the near death expierances !!strange stories of a real renegade!!

Man had unbelievable life ,i shared some of it, with him "Scrapiron Adams" counsler!!Pecos school system!! --school counsler and freindMust read by all adventure fans !!! Joe Beins oregon!! --readergot to live and expierance most of these wild events and proud to be called his son !!WCW World champion --Son WWE agentawesum read!!best book on wrestling out there!!The only man to live over a real fight with the giant and still alive!!! --Dick Bevins!!i lived it with him and still don't believe it happen!! the part about him and andre the giant WOW!!!! --scrap iron adamsAbout the AuthorBorn sweetwater,texas raised Odessa,Texas .U.SMust read.Marines ,Texas Western College,pro foot ball,pro-Wrestling,Divemaster shipwrecks,and caves.Bull rider ,bull fighter,world traveler, not in that order !!
