The only thing I could complain about is I would have liked the performance track to have been at the same tempo as the accompaniment track. (Brass Solo). Canadian Brass Solo Performing Editions feature trumpet parts, piano reduction accompaniment, and a fantastic CD featuring two tracks: a full recording by Canadian Brass trumpeter Ryan Anthony, plus an accompaniment-only track for play-along practice. Includes two score inserts for the trumpet part: one for E-flat trumpet, the other for B-flat trumpet.
