Plenty of room for personal notes and markings on the pages, very enjoyable to play along with an excellent orchestra and the way it was segmented it made it easier for me to perfect particular sections. Looking to buy other selections from Hal Leonard. Good job guys. 1 of 4 people found the following review helpful. Wow... By Samuel McChesney Very powerful music, full bodied and full of emotion. I cannot wait to see it live, I am sure that it will be even more amazing than just hearing it. 1 of 7 people found the following review helpful. Quick Service! By MJGI ordered this for my son who needed it prior to his next music lesson. It came within a few days and that was via the normal shipping
