Joseph Haydn, Music Scores : Twelve String Quartets, Opp. 55, 64 and 71, Complete (Dover Chamber Music Scores) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Twelve String Quartets, Opp. 55, 64 and 71, Complete (Dover Chamber Music Scores):

0 of 0 people found the following review helpful. Great for Composers! By Joshua Matos Is the best way to get in the mind of Haydn, also is an excellent book and notes are in the right size, love it is a must buy!

"It was from Haydn that I first learned the true way to compose quartets." Mozart. Twelve String Quartets marks the

second volume in a projected monumental undertaking the complete Haydn string quartets. Players and students, music historians, and Haydn lovers will have inexpensive access to a uniform, strongly bound, and clearly printed modern edition of Haydn's finest pieces in complete score. Musicians, music students, and music publishers have a difficult time keeping up with Haydn, whose ceaseless production of original, first-rate work was legendary. He essayed most of the recognized genres, conferring upon several a legacy of expanded possibilities and clearly defined, characteristic form. Among these may be mentioned the symphony, the sonata, and perhaps most notably, the quartet. In a period of 50 years, Haydn (1732-1809) composed over 80 string quartets. Scholars are still debating questions of attribution and even completeness (unknown works by Haydn still turn up), and music lovers have had to make do with scattered, out-of-date, out-of-print editions of a few of the more familiar quartets. Otto Jahn wrote: "It is not often that a composer hits so exactly upon the form suited to his compositions; the quartet was Haydn's natural mode of expressing his feelings." Haydn's affinity to the quartet began with his earliest works, when he perhaps more than anyone established the four-movement structure of chamber music. In common with truly great and complete artists, who surpass early innovation to achieve their greatest work at the end, Haydn's later quartets are his best. This volume contains the full scores of: Op. 55, Nos. 13 (including "Razor") dedicated to Joh. Tost, ca. 1788; Op. 65, Nos. 16 (including "The Lark" or "Hornpipe") dedicated to Joh. Tost, 1790 or 1792; Op. 71, Nos. 13 dedicated to Count Appony, 1793. Large readable noteheads, ample margins for fingerings, etc., opaque paper, and permanent binding make this a fundamental addition to music libraries and musicians' repertoires: a book for all who pay tribute to Haydn and who agree with Grove's Dictionary: "The quartet he brought to perfection."

About the Author Austrian composer Joseph Haydn (1732-1809), one of the most prolific and prominent musicians of the Classical era, wrote in every genre. Friend to Mozart and teacher of Beethoven, he standardized the four-movement structure of the quartet, the form for which he is best known.
