Do yourself a favor and remember to pull out staples. LOL 0 of 1 people found the following review helpful. Mozart Variations By Autumn Chung I have another same music of different edition. I compared this edition with my book (Alfred), I like the trill suggestion on the first page. But overall I like Alfred Edition more. This edition is fine. 0 of 1 people found the following review helpful. A joke. By Joshua D. I thought that

had buy a book. But this is a brochure. I am really disappointed . It is a cheap edition.
