**Various Authors : Twilight Zone Radio Dramas Collection 8** before purchasing it in order to gage whether or not it would be worth my time, and all praised Twilight Zone Radio Dramas Collection 8:

0 of 0 people found the following review helpful. I bought this for my Father-In-Law and he loved it. By Samuel-Louis Bandy, Jr. I bought this as a gift for my Father-In-Law. He is a big fan of old time radio, and he loved how the new persona were able to still give the real quality of performance demanded by the benchmarks of both the late Rod Serling and the radio drama tradition we have in America. He told me that these dramas are some of the best he had ever heard. 0 of 0 people found the following review helpful. Nothing short of great! By Brad M. Love the twilight CDs. Can listen over and over. Great narration a dang rat voice actors. Fun. 1 of 1 people found the following review helpful. great stories By casual.classto anyone who likes old time stories and the Twilight Zone I would highly recommend. The stories are just like the tv episodes. I would highly recommend the seller too.

Adapted for audio from original scripts written for the television show created by Rod Serling that aired in the 1960s, these radio dramas feature music and sound effects and a distinguished lineup of guest stars. Serling's widow, Carol Serling, praised the radio adaptations, calling them "truly astounding." Collection 8 A World of Difference--starring Luke Perry A businessman inexplicably finds his office has become a set for a movie in which he is the main

character. *Death's Head Revisited*--starring H. M. Wynant A former Nazi SS Captain returns to the ruins of the concentration camp he ran to re-live the nostalgic past--until his long-dead victims appear to greet him. *In His Image*--starring John Heard Alan Talbot doesn't understand why his hometown seems so unfamiliar; why is he driven to kill and what are those strange noises in his head? He's about to get some answers when he comes face to face with his double. *The Mighty Casey*--starring Paul Dooley A broken-down baseball team soars when a new player, a human-looking robot, pitches shutout after shutout. After it is discovered that he's a robot, the only way he will be allowed to continue to play is if he is altered to become more human. *Black Leather Jackets*--starring Marshall Allman An advance party of an alien invasion force arrives in a quiet residential neighborhood disguised as leather-jacketed motorcycle youths.
