This guide has maps for each area along with strategies and ends with passwords for all the game areas. Quite useful for this classic game, whether you have the original or got it off the Playstation Network. 1 of 3 people found the following review helpful. Best Twisted Metal book I have ever read! A year has passed since the first Twisted Metal Tournament. Much of Los Angeles remains in ruins. A host of

competitors returns in search of the tournament's organizer, Calypso. They've heard he'll grant a wish to the winner of the second tournament. Calypso is a being of pure evil. He feeds on the destruction and mayhem the tournament assures, and his mystical powers are a powerful lure to those chasing a dream. But the prize won't be easy to attain. More contestants will battle for victory in a tournament whose focus has been shifted to a global scale. Some come for power, others for revenge; a few have hidden agendas. One thing is certain, though: Calypso will do his best to insure that no one claims the prize they seek. Forget the seat belts and air bags. You need serious horsepower and firepower to survive this drive. Get it inside Prima's Twisted Metal 2 Unauthorized Game Secrets!
