@codeSparrow : **Twitterati Cryptograms: 350 Snarky Ciphers for Social Media Junkies** before purchasing it in order to gage whether or not it would be worth my time, and all praised Twitterati Cryptograms: 350 Snarky Ciphers for Social Media Junkies:

0 of 0 people found the following review helpful. Smart puzzles for smart peopleBy WestNewton33These are tricky -- but addictive. Once you get the hang of them, they are a LOT of fun -- and extremely clever. Great way to keep your brain sharp, enjoy some snarky humor from funny people, and look incredibly smart to boot.0 of 0 people found the

following review helpful. Puzzles and funBy Paul O'BrienExcellent combination of puzzling and humor. For experienced cryptogram-ers, each puzzle just takes a few minutes with a good laugh at the end. For beginners, codeSparrow gives you a nice short guide to get you started. A great gift for the puzzle-inclined. Or for your teenager (if they can handle some slightly-racy humor).0 of 0 people found the following review helpful. Great book small printBy pattyMake sure your pencil is very very sharp. Great book, really small print. Alot of puzzles in this book. Print is just too small. Hard to keep words from running together.

Addicted to word puzzles? Love to laugh? Crave your daily dose of online snark? This books got it all! Every quirky quip and witty one-liner here was originally on social media, and theyre 140 characters or fewerand they come from such comic stylists as Eugene Mirman, Kristen Schaal, and other authors, bloggers, and writers for top TV shows. But to mine the nuggets of comedy goldorganized in 15 categories from Food and Drink to Feelings, Bathroom Humor, and Sex you have to decode the cryptograms first. So unleash your inner hacker . . . and get cracking.

"A collection of 350 amusing ciphers . . . transforming Twitters snarkiest, most hilarious tweets into cryptograms . . . from folks like Justin Halpern, author ofSh\*t My Dad Says, and comedian Kristen Schaal from the hit comedyThe Last Man on Earth."Games World of Puzzles
