9 of 9 people found the following review helpful. Bought for my six years old who has been doing ...By MomBought for my six years old who has been doing simple origami but this set is too complicated for her. Thought its for beginners7 of 7 people found the following review helpful. Fun fun fun!!By Brittany BurksI purchased this for my 7 year old daughter and she was so excited!! She loves origami and this came with everything she needs! Step by step instructions, paper, fake dollars to learn how to fold bills and a dvd!9 of 9 people found the following review helpful. Another Great Origami Book Not to be Missed!By Patty GrodnerMichael and Richard have done it again! This is a

wonderful book, but I hope that more experienced folders do not dismiss this gem. It has several great models including a great model for Valentine's Day: Sealed with a Kiss! You can never go wrong with an origami book by these authors who make origami accessible for the young, old, skilled and novices. Make sure you get your copy of this very nice book!

Make fun and simple paper craft projects with this easy origami kit. Ultimate Origami for Beginners Kit is the perfect paper craft kit for origami beginners and children. World-renowned origami designers and artists Michael G. LaFosse and Richard L. Alexander have selected paper folding projects from several popular origami categories that include: traditional origami, modern origami, origami flowers, paper airplanes, cute cuddly animals and much more! Use Ultimate Origami for Beginners to craft eye-catching origami for your friends, to beautify your home as a wonderful gift for paper craft lovers. All of the folds are simple enough to be origami-for-kids projects and are a great way to learn origami. None of the projects require paint or glue so just unpack the origami paper and start folding right away! This origami kit contains: A full-colored 62-page origami booklet Clear step-by-step instructions Colorful diagrams and photographs Folding techniques and tips A DVD with easy-to-follow video tutorials 62 sheets of durable origami folding papers Several colors and three different sizes It seems that everywhere we look, people are folding paper origami. While previous generations may have made greeting cards with cranes folded from pretty scraps of paper, the art of origami has advanced to such a degree that we are now seeing it around the world. They grace retail store windows, as clever dollar bill folds displayed in restaurants and even on TV! This delightful array of projects and papers provided in Ultimate Origami for Beginners Kit are sure to get your feet wet, and your fingers folding! Origami Projects include: Crane's Egg "Kanji" the Dog Petalunia Moon Flowers Scallop Seahorse Dollar Yacht Ninja Jet And many more

"Ultimate Origami for Beginners is not your average beginner's guide. It includes a substantial booklet with easy-to-follow directions for somewhat more advanced beginner items an oxymoron I realize but I say that because this is not the cup, the crane, the box. The booklet includes flowers, animals (baby dinosaur, seahorse), airplanes, and dollar folds. Not to worry, though, the instructions are thoroughly illustrated and described. Plus if you're really stuck, there's a DVD guide to take you through the steps one-by-one." 8asians.com blog "It's the first kit to introduce all the various forms of origami that are popular today. No matter what your skill level is in paper folding, be sure you check out this kit today; you're sure to learn something new!" AllFreePaperCrafts blog "The Perfect Kit for Beginners Everything You Need Is in This Box! Includes an Easy-to-Use Instruction Book, DVD and 62 Folding Papers for 19 Exciting Projects. Do not worry about getting stuck! The DVD is very easy to follow, unlike many of the videos out there. You will take your folding to the next level. Explore a variety of projects including traditional, money, modular, paper airplane, animal, modern and wet folding. Below, Kanji the Dog is folded from a single 6 inch blue square from the kit. Paper in 3 sizes, a variety of solid colors. There's even replica dollar bills for money folds. No scissors or glue required." Handmade by Deb blog "If you enjoy the art of paper folding, or Origami, then one of the best sources of instruction is Michael G. LaFosse. The Ultimate Origami for Beginners Kit is excellent for both beginners and children. World-renowned origami designers and artists Michael G. LaFosse and Richard L. Alexander have selected paper folding projects from popular origami categories such as traditional origami, modern origami, origami flowers, paper airplanes, cute cuddly animals and much more!" Suzy's Artsy Craftsy Sitcom blog "This wonderful kit contains everything you need to get started on your origami adventures. [] The instructions are all clear and concise, perfect for anyone who wants to learn this age-old art of paper folding. Kids of all ages can choose from a variety of origami crafts, ranging from traditional cranes to more modern designs like airplanes and flowers." AllFreeKidsCrafts.com blog "This set is perfect for anyone interested in Japanese art in general but especially in learning Japanese origami (art of paper folding). I'm not very good at origami but I was able to fold many things by following the steps on the DVD and in the book!" Tokyo Five blog "You get to sit behind LaFosse's shoulder, watch and follow along as he patiently guides you through the simple as well as more tricky steps, providing tips and techniques for better results. This will enable even beginners to get a grasp on slightly more advanced designs. Highly recommend for anyone who wants to dip their toes into origami!" Gilad's Origami Page blog "The projects are geared towards beginners but not necessarily children. The kit actually includes a wide range of difficulty. [] When the book instructions were difficult to follow, they watched the videos on the included DVD. The videos are excellent and really helpful if you find the instructions confusing." Omiyage Blog blog About the Author Origami master Michael G. LaFosse is co-founder of the Origamido Studio, a learning center and design studio dedicated to the art of origami, and the only place in the world specializing in hand papermaking for the origami artist. LaFosse was prominently featured in the recent Peabody Award-winning documentary, Between the Folds. Richard L. Alexander co-founded the Origamido Studio, where he is the chief papermaker. Together, Alexander and LaFosse have created dozens of origami exhibitions, and more than seventy books, kits, and videos about paper and paper arts.
