**Gary Sumpter : Ultimate Street Magic: Amazing Tricks for the Urban Magician** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ultimate Street Magic: Amazing Tricks for the Urban Magician:

0 of 0 people found the following review helpful. Five StarsBy SafeCopGreat job. Thank you11 of 11 people found the following review helpful. Appearance, Not SubstanceBy un hommeThere are a few good tricks in this book, but not enough to justify its cost. Most of the effort in producing this book seems to have gone into the presentation, which is slick and glossy, but adds nothing to the book's ability to teach magic.5 of 7 people found the following review helpful. Great Book!By Linda W. YoungI bought this book for my 16 yr old who is into magic. He loves it! Lots of pictures. Very entertaining.

Everything that would-be magicians and entertainers need to take their magic to the streets, bars, malls, and

supermarkets, and wow crowds up close and personal is in this exciting new guide. From amazing card tricks to mind magic and stunning illusions, a professional magician reveals all the tricks of the trade with easy-to-grasp instructions and 300 illustrations that can be performed any time, anywhere. Perplex and baffle urban audiences with unbelievable coin tricks, rubber band magic, and street fire; confuse the steel-willed with mind-over-matter feats like street levitation and telepathy; and scare the strong-of-stomach with freaky tricks like eye poppers and glass eating. Includes advice on starting out; flourishes to polish performances; plus a few words on hecklers. Fans will love it too!

**About the Author** Gary Sumpter is a professional magical entertainer, who has been performing tricks for over 13 years. He has performed everywhere from theatres to restaurants, has been a magic teacher and has his own range of magic products on the market. He currently lives and works in Kent.
