I can't seem to get enough of them!A diverse helping of informative facts, short articles, quotes and even humorous stories on various subjects. A conglomerate of information!I highly recommend this book!0 of 0 people found the following review helpful. Love the Bathroom Reader series!By Debra AllenI've been a fan of the

Bathroom Reader series since my brother got me the first one way, way back. Ever since I got my Kindle, I've been checking periodically to see if they'd put this series on ebooks. Now that they have, I've been getting them one by one. This is the latest in the series that I've gotten. I'm not sure how many of these I've read over the years but I love them all. Overall, I like the generalized ones like this that cover a wide variety of topics better than the ones that specialize in a subject. I've liked some of the specialized ones too; I guess it just depends on how much interest you have in that subject. I think these books are great anytime but they're really perfect airport books. They're interesting enough to take your mind off the tedium of waiting but don't require the kind of concentration that makes you worry about missing announcements about your flight. The only drawback to the physical books was the size and weight of them but with the Kindle edition, that's no longer a problem. The only real flaw with the BR series on Kindle are that the quiz sections aren't really worth doing anymore. Before I'd mark the answer section in the back and flip back to see how I did but you can't do that with ebooks. I'm hoping they'll come up with a work-around for that. Maybe a simple low tech solution like putting the answers right after the quiz section in the ebook versions.

As a minister I appreciate getting all this delivered in one book....
Have used quotes from this book over and over!

Uncle John's 24th flagship edition is glittering with more than 500 all-new pages of absorbing material that prove once again why Uncle John makes the best-selling bathroom-reading series in the world. The information miners at the Bathroom Readers Institute have unearthed a priceless collection of surprising, amazing, headscratching, and hilarious articles. Divided by length for your sitting convenience, 24-Karat Gold is chock-full of little-known history, random origins, weird news, celebrity secrets, and urban legends. As always, you'll find plenty of dumb criminals, clever wordplay, quirky quotations, and much, much more. Just open up to any page who knows what treasures await you?

Judges gone wild
The Barbie scandals
Canada's underpants king
Helen Keller: vaudeville star
The double A-bomb survivors
The history of the umbrella
America's forbidden island
What the Hokey Pokey is really all about
And much, much more!
