through this Uncle John's book and now am the life of the party. When I come in the door people say, "Oh luck it's Bill," which makes me happy that they enjoy my constant trivia reporting and "did you knows." My wife has said repeatedly that they are not saying, "Oh luck," but my head is in the clouds. Anyway, Uncle John's Bathroom Readers are always entertaining and fun to read. 0 of 0 people found the following review helpful.
