

many interesting and amusing facts and stories she read. It made a great gift and I will be reading some of it as well. 7 of 8 people found the following review helpful. OH CANADA...By Joseph H. Race Just another good one eh, from The Bathroom Reader's Institute of Ashland, Oregon. All the fun stories and historical information about Canada are here concerning the Mounties, hockey, beer, winter sports, and the Canadian celebrities like Jim Carrey, Avril Lavigne, Celine, Michael Cera, Shania Twain, Mike Myers, Pamela Anderson, Kiefer Sutherland, Alanis Morissette and others. The readers will also find great recipes called Flipper Pie, Jellied Moose Nose, Blood Pudding, Smothered Muskrat, Savory Seal Hearts, BBQ Bear, Roasted Polar Bear and a personal favorite, Seal Brain Fritters. The 456 page book, as always, turns out to be a page-turner and enjoyed by everyone in the family. My children have already used several items in the book about 'things of interest' in their high school classes. Take a trip to Canada from the comfort of your armchair/recliner and avoid the cold icebox winters and the springtime swarming mosquitoes. But then again, jump on a plane or you will miss firsthand the friendly, hospitable folks of Canada. A fun book - buy it!

For 25 years, Uncle John's Bathroom Reader has been wildly popular in Canada, so we decided to dedicate an entire edition to our friends in the Great White North even though much of the continental U.S. is north of Canada's southernmost point. That misconception and a whole lot more is revealed in this loving ode to a friendly nation with a colorful history and some of the most beautiful scenery in the world. Whether you're a true Canuck, or just always wanted to be one, Yukon count on us to deliver great bathroom reading! Read about stealing the Stanley Cup (literally); the origins of Tim Hortons and Kraft dinners; jellied moose nose and other Canadian delicacies; move over Napa: the story of Canadian ice wine; the government's secret official UFO division; Canada's homegrown rock n roll bands; all about those dam beavers; the answer to Canada's most burning question: Does Santa Claus really have his own postal code?; and much, much more!

From the Back Cover At the Bathroom Readers' Institute, we love all things Canadian and figure that just because we weren't lucky enough to be born in the land of the northern lights doesn't mean we can't devote an entire Bathroom Reader to it. So put away the hockey gear, grab a plate of Kraft dinner, and join us. Whether you're a true Canuck or just always wanted to be one, this book is for you! Read about: A waterfall in New Brunswick that flows...backward The government's secret official UFO division British Columbia's gold-rush camels The history of Harlequin romance novels The Acadians--Noth America's original Cajuns The Wendigo, sea serpents, and the famous Sasquatch hunter, Rene Dahinden And much more!
