Bathroom Readers' Institute : Uncle John's Bathroom Reader Salutes the Armed Forces before purchasing it in order to gage whether or not it would be worth my time, and all praised Uncle John's Bathroom Reader Salutes the Armed Forces:

Definitely more a "salute" with inspiring stories of bravery and the boldness of our men and women of the military than the usual compendium of humorous factoids. Kudos to those who serve, but be

aware that this is not your usual BRI volume...0 of 0 people found the following review helpful. Great for those military history buffsBy Honest MamaI got this for my husband's birthday as he loves the one we have already. This has a lot of history stuff and not so much jokes, funny stories and the like such as the previous editions we've gotten. My fault for not reading thoroughly through previous reviews and the back of the book itself. But it is still a great read, especially if you like anything military related.0 of 0 people found the following review helpful. Great if like historyBy Dreal'm not that in to history. I guess I should have known better. I thought there would be more funny stories like the other books.

Army, Navy, Air Force, Marines, and the Coast Guard! The patriotic folks at the BRI have stormed the proverbial beaches of Normandy and beyond to bring you this salute to the greatest force for good on planet Earth! Make your way through the ranks and read about the history, triumphs, trials, and humor of those who serve. At nearly 500 pages, this is the book you want by your side while you wait it out in the fox hole.
