Force10JC This was my first hardcover purchase of an Uncle John's reader. It is also the largest one I have purchased and is packed with hours of useless knowledge. When you are tired of the same old boring cell phone app whilst sitting in the john, this is a great alternative for spending otherwise unproductive time. The pages are also helpful if you happen to visit a public facility that didn't happen to re-stock the TP that day. Just be sure that you read the pages before flushing. 0 of 0 people found the following review helpful. But they do entertain me especially when I read them in the quiet time of evening. JP0 of 0 people found the following review helpful. Bought as gift...By M.
