telling me that its entirely ok to read a "uncle johns bathroom reader" while not in the bathroom. The disgust of such an idea led me to wash their mouth out with soap and make them complete 30 hail marys for such an egregious sin!!! Well, now my prison term is over and the comfort this book provided while i was serving the sentence for "assault" was most welcome! Assault!!! I was upholding the honor of where these books should be read!!! I have since solemnly swore to not ever commit physical harm to anyone who reads these in the wrong room of the house or even suggests the idea, but i know where ill be reading mine!! On the john!!0 of 0 people found the following review helpful. Uncle John does it again!By Howie SchnurA must have for any avid Uncle John reader! The moment I took it out of the mailbox, I made a beeline for my couch, dove right in and before I knew it, like all the prior books I completely lost track of time.. The pages flew by, the information more interesting by the page.. The best part is when your done with the page whether the story is over or not you have the foot to read at the bottom to change up the pace. It is impossible to go more than a few pages without learning something new and interesting.. An excellent start or add to the best book collection you'll ever have!0 of 0 people found the following review helpful. Best series of random information books ever createdBy B-radI have many of Uncle John's Bathroom Readers. I love every single one of them. I read them all from cover to cover, no skipping ahead. I love random bits of information and this is, by far, one of the best series of books to ever created. They literally cover pretty much anything and everything you could think of. The only drawback to the large books like this one is that some of them are comprised of two older edition Bathroom readers which means you could end up buying a book that you already have. Not a big problem though as it tells you what's found in each book, in the description, before you buy it.

This ones big. Make that pretty huge. No, waitits GIGANTIC! Presenting Uncle Johns Gigantic Bathroom Reader, featuring two of our best-selling and hard-to-find titles: Uncle Johns Absolutely Absorbing Bathroom Reader and Uncle Johns Giant 10th Anniversary Bathroom Reader, now bound together in this omnibus hardcover edition for your reading pleasure. Tipping the scales at more than 700 pages, this massive missive is guaranteed to boost your IQ! Packed with fun facts, tantalizing tidbits, and intriguing information, this is no book for the faint of heart. This gigantic volume has it all: entertainment, humor, forgotten history, science, origins of everyday things, strange lawsuits, and a great big pile of pop culture. So dont go to your throne alone take Uncle John with you!
