From Portable Press : Uncle John's Great Big Bathroom Reader before purchasing it in order to gage whether or not it would be worth my time, and all praised Uncle John's Great Big Bathroom Reader:

By KC Jones While some of the specialty BRI items are not up to the usual five-star standard, the core "annual bathroom reader" books are -invariably- worth having. It's a testament to the superb writing, great pacing, and wry sense of humor "uncle john" always brings to the table that these tomes remain interesting, relevant and readable well after their original date of publication. 0 of 0

One of Uncle Johns all-time biggest sellers, Great Big is overflowing with everything our fans have come to expect: urban legends, forgotten history, myth-conceptions, business blunders, strange lawsuits, weird politics, amazing origins, dumb crooks, celebrity gossip, brain teasers, short facts, and more! Divided by length into short, medium, and long articles, Great Big is sure to be a hit with readers of all ages. A few standouts from these 460 pages: The first computer programmers Weird medical conditions Brits Vs. Americans: a word quiz Strange tourist attractions The origin of the White House The worlds second-dumbest outlaw The Tonight Show story The forgotten hero of flagpole sitting Why popcorn pops And much, much more!
