Bathroom Readers' Institute : Uncle John's Impossible Questions (Astounding Answers) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Uncle John's Impossible Questions (Astounding Answers):

By KallahI have a whole bunch of trivia books from Uncle John's line, and all of the other ones have really thick pages and nice, coated-in-something (plastic?) covers, which lets them stand up well in a bathroom, even when it's full of steam from the shower. This one, however, is bound in normal cardboard, and has normal, thin paper. After just a few months of sitting on my bathroom shelf, the pages and cover are starting to curl, which is really disappointing. The format itself is

a mixed bag, with most of the "questions" being so open-ended that there's no way you could answer them without more information. The "answers" are pretty informative, though, so there's that. If this is the first of the Uncle John's books you've picked up, don't let it scare you off from their much better (in content and design) books, it's really the odd man out. 0 of 0 people found the following review helpful. Perfect Condition; Recipient Loved It By Nox McLane
Father loved the book! He started reading the other Bathroom reader I bought him, but he was super happy to receive another for his birthday. No shipping damage whatsoever. My only problem came from the seller. I had to track the package outside of , and the book wasn't even shipped until a day after the latest estimated delivery date! I hoped it would arrive by the 9th, but it didn't show up until the 22nd. But beyond that, it was a good buy! :) 0 of 0 people found the following review helpful. Is your hubby a bathroom reader? By AF Michael
My husband enjoys his quiet time and he hates novels...as they require too much time. He loves Uncle John's Bathroom readers and has over the past 15 years I've been buying them for him. He can always count on at least one each Christmas. I have to say that it's rather fun and funny to hear laughter coming out of the necessary room every now and again. Talk about a successful gift. AND, I like hearing some of the funny stories he reads after the fact.

Test your smarts and then stump your friends with this collection of diabolical questions and answers that could only come from the trivia masters at the Bathroom Readers Institute. Sure, everyone knows the Pilgrims sailed to the New World on the Mayflower, but how many people know what that ship smelled like? And it's a somewhat-known fact that Gene Roddenberry wrote lyrics to the Star Trek theme song, but few people know why he wrote them. Do you? You'll learn the answer to both of these conundrums--and hundreds more--after you read Impossible Questions. So expand your knowledge a wide array of topics including science, history, politics, sports, entertainment, language, and more. The questions may seem impossible, but the answers are just a page away!
