Bathroom Readers' Institute : Uncle John's Legendary Lost Bathroom Reader (Uncle John's Bathroom Reader Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Uncle John's Legendary Lost Bathroom Reader (Uncle John's Bathroom Reader Series):

0 of 0 people found the following review helpful. One of the biggest editions ever! Three years' worth of editions in one volume! Tremendous variety! By John I got this book in 2004 on paper, and it truly is one of the bigger editions at almost 700 pages! It is a compilation of volumes 5, 6, and 7, published in 1992 thru 1994. They said they made some minor changes from the originals, and my copy was printed in 2002. Like most of their work, there is a tremendous amount of variety in the subjects covered. And while the text is now over 20+ years old, since much of it involves a lot of history, that information is still good and interesting. The nicest things about these books is that when you read them through, and have enjoyed them once, you can come back to them after 10 or so years, like I'm doing, and it's like you've not recalled reading much of it before, and it can be enjoyed once again. Handy tip: I even keep a copy of one of my paper editions in a waterproof zipper bag in the trunk of my car so if my car breaks down somewhere, or I have to go to a doctor or hospital unexpectedly, or am stuck at a dreadfully boring wedding, I will have fun stuff to read to pass the time while waiting! And I even have a Kindle copy of a couple of different editions for travel purposes. Great while waiting in an airport or on a plane, or even your hotel room! Due to the variety of topics and massive size of the edition, I don't think you can go wrong with this one. I've started on my second pass through the volume after 10+ years, and it's just as interesting today as it was back in 2004. 0 of 0 people found the following review helpful. Uncle John Scores Again By KC Jones A few of the BRI entries lately have become too duplicative and redundant. Too much "recycling" of old content. This is not that. It's a compendium of some slightly older "bathroom readers" into one omnibus, the vast majority of which was new to me (and I've read most of 'em). 0 of 0 people found the following review helpful. Five Stars By Mark F Won't disappoint for funny info

Long ago, Bathroom Reader fans everywhere cried out in terror when Uncle John's legendary 5th, 6th, and 7th editions were taken out of print. But then they rejoiced at the release of this ginormous book: Uncle John's Legendary Lost Bathroom Reader! Weighing in at a whopping 673 pages, the entire texts of those long-lost editions have been reanimated into one of the BRI's all-time best sellers. You'll be rewarded with thousands of amazing facts, hundreds of incredible quotations, and dozens of short, medium, and long articles (and a few extra-long ones, too), covering history, sports, politics, origins, language, blunders, and more. Find out what half a million readers already know: Legendary Lost is quintessential Uncle John. A few examples:- Pizza history- The Godzilla quiz- How Wall Street got rich- The strange fate of the Dodo bird- The best of the worst country song titles- People who were famous for 15 minutes- Miss Piggy's timeless wisdom- Accidental discoveries- The king of farts And much, much, much, much more!

About the Author The Bathroom Readers' Institute is a tight-knit group of loyal and skilled writers, researchers, and editors who have been working as a team for years. The BRI understands the habits of a very special market--Throne Sitters--and devotes itself to providing amazing facts and conversation pieces.
