**Dorothy L. Sayers, Chris Miller : Unnatural Death: BBC Radio 4 Full-cast Dramatisation (BBC Radio Collection)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Unnatural Death: BBC Radio 4 Full-cast Dramatisation (BBC Radio Collection):

2 of 2 people found the following review helpful. Only the third in the series, but, so far, the bestBy illiandanticDorothy L. Sayers' 1927 book, "Unnatural Death," is the third in her Lord Peter Wimsey mysteries. I haven't read the whole series yet, but this one's the best of the first three. As usual for Sayers, the writing is excellent. It's so good and so modernly written, that you forget that the book is 87 years old (that is, until you hit the occasional change to social mores or the technological chasms that have sprung up since then). But that just makes the book more amazing. Compared to the first two books, I'm much happier with Wimsey's speech and behavior than the first, and the pacing is much better than the second. My only issue with the story is how Sayers wants us to misconstrue the

relationship between two of the characters when it's extremely obvious that it's not what she wants us to believe. But, that's fairly minor. So, I'm very happy to rate the book at a Very Good 4 stars out of 5. The novels in the Lord Peter Wimsey mysteries are: 1. Whose Body? 2. Clouds of Witness 3. Unnatural Death 4. The Unpleasantness at the Bellona Club (The Lord Peter Wimsey Mysteries, 5) 5. Strong Poison (The Lord Peter Wimsey Mysteries, 6) 6. The Five Red Herrings (The Lord Peter Wimsey Mysteries, 7) 7. Have His Carcase (The Lord Peter Wimsey Mysteries, 8) 8. Murder Must Advertise (The Lord Peter Wimsey Mysteries, 10) 9. The Nine Tailors (The Lord Peter Wimsey Mysteries, 11) 10. Gaudy Night (The Lord Peter Wimsey Mysteries, 12) 11. Busman's Honeymoon (The Lord Peter Wimsey Mysteries, 13) Note: my numbering differs from 's because they include collections of short stories whereas my list is just of novels. Also, I can only include 10 links in the review, so the 11th Wimsey book is just a title. 0 of 0 people found the following review helpful. A wonderful detective series! By Nicholas G. Psaki, III Dorothy L. Sayers is one of my favorite authors. I have read every one of her novels about Lord Peter Wimsey several times, and I never fail to be delighted. Some of her mysteries are simple, some are wickedly complex, but all are entertaining and just plain fun to read! Her slow development of the romance between Lord Peter and Harriet Vane is from another time, when love took time to grow and patience was a primary virtue. This novel is third in the series, before the entry of Harriet Vane, so the focus is on Lord Peter and Bunter, his wonderful valet. The mystery builds around the unexpected, and possibly suspicious death of an elderly cancer patient. There is some violence in this novel, but in the manner of Greek plays it happens off-stage and we are left to deal with the consequences. It isn't necessary to read the Lord Peter Wimsey novels in sequence, but doing so affords the reader the pleasure of watching the author and the characters develop their many talents. 0 of 0 people found the following review helpful. Taunt mystery By woof Dorothy Sayers is an excellent writer. This book portrays a "modern" woman, writer Harriet Vane, who works and supports herself and is accused of poisoning her ex-lover. It was probably a risqué theme at the time it was written. One of a series, it stands alone well. Be advised that derogatory terms used at the time this was written are present.

"No sign of foul play". So concludes Dr Carr's post-mortem on Agatha Dawson, and the case is closed. But Lord Peter Wimsey is not satisfied and, with no clues to work on, begins his own investigation. No clues, that is, until the sudden and senseless murder of Agatha's maid.

She brought to the detective novel originality, intelligence, energy and wit. -- P. D. James D. L. Sayers is one of the best detective story writers. -- E. C. Bentley Daily Telegraph I admire her novels ... she has great fertility of invention, ingenuity and a wonderful eye for detail. -- Ruth Rendell She combined literary prose with powerful suspense, and it takes a rare talent to achieve that. A truly great storyteller. -- Minette Walters About the Author Dorothy L Sayers was born in Oxford in 1893, and was both a classical scholar and a graduate in modern languages. As well as her popular Lord Peter Wimsey series, she wrote several religious plays, but considered her translations of Dante's Divina Commedia to be her best work. She died in 1957. From AudioFile In UNNATURAL DEATH, one of the early books in the Lord Peter Wimsey mystery series, Lord Peter investigates what he fears may be the perfect murder. The narrator, Ian Carmichael, gives a superb performance in general, but it takes a few minutes in the beginning to adjust to his accent and fast pace. It's also a puzzle that Carmichael does not differentiate between two main characters, Lord Peter Wimsey and his friend, Inspector Parker from Scotland Yard, when he is quite capable of doing so as he demonstrates with "lower-class" and minor characters of the story, whom he renders in a lively and satisfying manner.
