Detailed Guide, Gives you most of what you would want...By MagiczarThis is a good game guide covering most of everything you would want to know about the game, as you would expect.I found an error in the specific level at which an ultimate weapon enhancement item is to be purchased. I dont specifically remember it, but here are all of them:Pristine Lightstone in Library Tower for 2000Oozing Orb in Silver Cathedral for 3500Rune of Anguish in the Kiln for 5000Orb of Suffering in City Slums (South I think, before proceeding to the Grinder) for 7500Overall, if you want to enjoy playing the game knowing all secrets, I would recommend buying this.0 of 0 people found the following review helpful.
