consists of one long game of Up Down Words. I love the game, it's very easy and fast and I suppose you could burn through the book pretty fast. I saw other reviews complaining about it being one continuous game, but I didn't find that problematic. When you don't want to play anymore, just put it down. A little pricey for what you get, but I enjoyed it. 0 of 0 people found the following review helpful. Fun fun!
