Terry Stickels : USA Weekend The Big Book of Frame Games before purchasing it in order to gage whether or not it would be worth my time, and all praised USA Weekend The Big Book of Frame Games:

0 of 0 people found the following review helpful. Five StarsBy Louise ProctorGift for daughter, she loves the variety!
0 of 0 people found the following review helpful. Confused funBy Just in BostonThis book is fun, but the answers are randomly posted, Terry did a great job, but they were a little confusing, fun, but confusing.
0 of 0 people found the following review helpful. Great Resource For TeachersBy SusanStudents in my seventh grade English class love it when I pull out this book when we have a few extra minutes at the end of class. They get so excited when they get a puzzle right! Most of the time, the correct answer to a puzzle, such as, "cut the mustard," leads to a great discussion on idioms, what they mean, and where they come from. I love this book and I wish there were more like it. I would buy them all!

FRAME GAMES, as seen every week for the last 10 years in USA WEEKEND magazine, are very popular and enjoyable word puzzles that represent a famous phrase, song, person, place, or movie in a unique, framed puzzle. By looking at the way the letters are formed and where they are placed in relation to the other letters, readers are challenged to piece together a solution. These artfully constructed brainteasers are a favorite among teachers, travelers, and puzzle-lovers alike. With 500 puzzles, this book is sure to keep you thoroughly entertained.
