### Valiant-for-truth

Motet for mixed voices

When this it was issued abroad that Valiant-for-truth was taken with a scimitour... and had this for a token that the summons was true. That his pitcher was broken at the fountain. When he understood it, he called for his friends, and told them of it. Then, said he, I am going to my Father's, and though with great difficulty I am got hither, yet now I do not regret me of all the trouble I have been at to arrive where I am. My second I gave to him that shall succeed me in my pilgrimage, and my courage and skill, to him that can get it. My master and saint I carry with me, to be a witness for me, that I have fought the battles, who now will be my succour. When the day that he must go hence, was come, some accompanied him to the river-side, into which, as he went, he said, "Death, where is thy sting?" And he passed over, and all the company followed him on the other side.

for SATB with organ or piano introduction, to words by John Bunyan

About the Author In the fifty years since his death, Vaughan Williams has come to be regarded as one of the finest British composers of the 20th century. He has a particularly wide-ranging catalogue of works, including choral works,

symphonies, concerti, and opera. His searching and visionary imagination, combined with a flexibility in writing for all levels of music-making, has meant that his music is as popular today as it ever has been.
