COITEUX Francis : Variations on a Theme by Donizetti for cornet and concert band (FULL SCORE) before purchasing it in order to gage whether or not it would be worth my time, and all praised Variations on a Theme by Donizetti for cornet and concert band (FULL SCORE):

This theme, taken from the comic opera "La fille du rgiment", of Gatano Donizetti, is situated when the two heroes, Marie and Tonio, have just admitted their love.Proud and haughty, in the image of the two heroes, the cornet will shine in 6 variations. The first, humorous and syncopated, gives way to a second variation adorned with chromatic tone. Elegante and distinguished, just like the lovers, the third enchainé in the fourth variation in ternary mode, dancing like a tarentella. Expressive, the fifth variation, given way to the confidences, while the sixth, bright and unpredictable, completes the work by a fireworks of notes, honouring the brilliance and the virtuosity of the soloist. --Duration : 00:09:40 Format : 21 x 29,7 cm Pagination : 40 Level : (5 to 6/8) Medium to difficult Date of publication : 10/06/2011 Code EAN : 9790232105789 Nomenclature : Cornet in B and concert band Material : Full score Style : Contemporary
