read and understand. I had so much fun working on sounds, it made me feel like a child. Some good life advice about laughing. I've been putting some of Liz's advice to work. Suitable for children or adults. Read this book and you will be looking for a dummy.

Ventriloquism for Health, Wealth, and Happiness - This is a how to book and it teaches you to become a ventriloquist. It was in Nashville that my life on stage really began. It is a wonderful feeling to be doing what one loves to do. My life has been filled with extraordinary events. There was nothing I loved more than being on stage with my dummies, unless it was buying the clothes I wore, which were covered with rhinestones, beads, and anything that glittered or sparkled the high heels and the big hair-do, and I was happy and ready to deliver smiles. I love to write and I am very proud of this book! All because I know, without a doubt, that if you study this book and practice you will become a fantastic ventriloquist. One of our famous Ventriloquists Jimmy Nelson wrote the forward for this book and he stated: In reading over the galleys before this book went to print, I was impressed by the sincerity of the author. Liz LaMac has a disarming style. Yes, she is teaching the art of ventriloquism, but she is also informing us about ventriloquism, keeping the reader interested while learning. Something I have missed while reading other How to books. And, as Liz says, laughter is, after all, the best medicine.

About the AuthorHi, I am Liz LaMac, author and entertainer. I have been writing for many years and my work has appeared in numerous books, magazines and newspapers. Over the years I have written a syndicated newspaper column for children called Frogs and Spices; scripted and hosted a syndicated radio show, Liz LaMac's Roving Studio; produced and hosted a live country music show entitled The Liz LaMac Show; wrote the joke book for Winn Millers Mopkins; and scripted the jokes, show scripts, and songs for my own syndicated television show, King Joe's Palace. The radio and television shows were broadcast from Nashville, Tennessee. It was in Nashville that my life on stage really began. It is a wonderful feeling to be doing what one loves to do.
