Steve Thomason : Versus Books Official Perfect Guide for Wild Arms 3 before purchasing it in order to gage whether or not it would be worth my time, and all praised Versus Books Official Perfect Guide for Wild Arms 3:

0 of 0 people found the following review helpful. Good and detailed guideBy Evan ClarkeA very good guide for a very good game. My initial play through was without a guide but with this I can find all that I missed during the first time.0 of 0 people found the following review helpful. GuidebookBy Denney RobinsonThe only reason I don't love it is because it was a used product with slight wear, it came early through the mail,and was just what I expected.0 of 0 people found the following review helpful. Five StarsBy Larry BeaversA+++

Versus Books Official Perfect Guide for Wild Arms 3 gives you every map, every item, every monster- truly a "Perfect Guide!" It provides a comprehensive walkthrough of every area in the game.
