She's been playing clarinet for a year wanted to step outside the box of her school's curriculum. There are so many awesome songs in it and they seem to be simple enough for a beginner to learn. She started off big though and chose to learn Bohemian Rhapsody first. And learned how to play it pretty quickly. I would definitely recommend for beginners.1 of 1 people found the following review helpful. I was bored minutes after opening the bookBy JJMiamiThey should have called this book 100 Greatestes Abridged Songs...I was bored minutes after opening the book. It may be appropriate for a young beginner, if at all.4 of 4 people found the following review helpful. Great for beginners, great song collectionBy LondonDreamsMy brother loves it! He's only been playing for about a year on the clarinet, and he's able to learn these songs easily. Great compilation of songs too!
