Doug Walsh : Viewtiful Joe(tm) Official Strategy Guide For PS2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Viewtiful Joe(tm) Official Strategy Guide For PS2:

2 of 5 people found the following review helpful. Viewtiful Joe: Good game but a good guide? By Bob ShapapaI recently picked up this guide to compliment my purchase of the game Viewtiful Joe and this is what I think of it. As I first opened it I noticed it is very colorful which is a great thing and the guide was very helpful. The only cons are that it is very thin with 112 pages. I was dissappointed at how short the secrets section was though. Overall, I'd say any Joe fan that needs help to beat that hard boss or just to read it for fun should pick it up because it is very colorful and detailed.
